Artscapes

It is with a sense of faith in creativity, art's power to touch and transform lives beyond gender, class, borders, social norms and standards...that Artscapes was founded. An NGO that strives to establish creative connects between artists and art lovers, Artscapes over the years has initiated and encouraged artistic interactions through exhibitions, talks, workshops and engaging pursuits that go beyond clichés. Recognising that talent needs support, Artscapes encourages and promotes both new and established artists and gives art appreciators a chance to get up, close and personal with the changing dynamics of art and the new materials, forms, textures, philosophies artists are experimenting with. The flagship event, 'All India Women Artists' Contemporary Art Exhibition', is a showcase that gets women artists from across the country, India's top art critics, leading voices on art, scholars, administrators on one platform, making the exhibition one of the most unique platforms in the country. The exhibition has seen the support of Shivraj V Patil, the then Governor of Punjab, and Administrator, Chandigarh, the then Information and Broadcasting Minister Manish Tiwari, Kaptan Singh Solanki, the then Governor of Punjab, and Administrator, Chandigarh, Union Minister Chaudhary Birender Singh and His Excellency V P Singh Badnore, Governor of Punjab, and Administrator, Chandigarh, Aruna Chaudhary, Education Minister, Punjab and Capt Amarinder Singh, Chief Minister, Punjab. The 8th All India Women Artists' Contemporary Art Exhibition 2019 was inaugurated by Dinkar Gupta, IPS, Director General of Police, Punjab.

With its varied events, Artscapes works to showcase talent of young artists working in various mediums and genres of art and create a broad canvas. Artscapes combined art with music, as in the Jugalbandi Fusion Nite with Salil Bhatt, IGP Invitational Golf Tournament, a mega event in North India. Artscapes in an effort to reach out to audiences across the region, launched Ludhiana Art Beat, as part of which regular exhibitions and workshops are designed by eminent artists. An art event, Freedom of Expression, was organised by Artscapes to mark Canada's 145th birthday on July 1, 2012. Several young and senior artists came together in the portico of the Consulate General of Canada, Chandigarh to paint a massive live canvas expressing their ideas extempore. Inukshuk, the ice sculpture making workshop was also organised to mark Candada Day 2013. 'Chandigarh In April' a photography showcase, in collaboration with the Department of Tourism and Chandigarh Administration received a resounding response from shutterbugs. As a part of our School Initiative, Artscapes held workshops in schools wherein students got the exposure to Art education including sketching, use of acrylics, water colours etc. Artscapes conducted a Five Day National Contemporary Women Artist Painting Camp 2016 in association with Lalit Kala Akademi, New Delhi at Sukhna Lake, Chandigarh wherein 12 women artists from across India participated. More recently, two exhibitions on water colours- a group show and a solo was organised. The same was inaugurated by Navjot Singh Sidhu, Minister of Tourism, Cultural Affairs, Archives, Museums and Local Government, Punjab.

The Event- We, the Women

While contemplating the challenges of gender discrimination in Indian male-dominated society, contemporary Indian female artists have always displayed their art and expressions. When we observe the whole history and our traditions, we see that in reality, the woman is the creator of art. Folk art, traditional art, modern art or contemporary art, female artists in all walks of life has been a special contributor. In a sprawling way women made folk art which, with each passing era, proved as the inspiration of both the modern art and the artists. Thus, by breaking all boundaries, women artists have continued with their art expression even under unusual circumstances. The contribution of women artists in the gradual development of art is incomparable. Women artists has always been the leaders in the changing environment of society. From time to time, women artists have presented their self-confidence and strength with firmness in front of society through their vibrant palettes. The position of women in art and skill has been the most respected in art history. When the expression of women's emotions, condition and thoughts is represented by female artists, then influenced by that inspiration, the entire art of society develops. We at Artscapes, encourage contemporary Female artists through various ways and one such initiative is Women Artists' Contemporary Art Exhibition. What began as dream seven years back, is now a milestone on the Indian art scene. The 'Annual Women Artists Exhibition', a much awaited event for women artists and a discerning audience, has grown from strength to strength since it was conceptualised.

The "9TH ANNUAL WOMEN ARTISTS EXHIBITION 2020" is aimed at empowering the women by providing them a platform to express their innermost feelings through art. Through this exhibition, we attempt to provide opportunities to the women to showcase their creative expressions to an eminent jury and learn from their feedback. Not only mental gratification, the exhibition extends monetary reward too to the deserving artists. The exhibition also serves as a showcase of the changing art scene over the last few decades, new technical applications, and gives a glimpse into how women artists look at their own world and give a visual voice to their inner voice.
